Hi Eric,

Thank you for considering presenting at the next LUBGWMA meeting. I will work on making it happen.

Most of the relevant reports on the LUBGWMA website. I think this is the report you're referencing (?) - <https://lubgwma.org/wp-content/uploads/2018/11/gw-lubgwma-nitrogenestimation.pdf>

If that isn't the report you are thinking of, let me know. If you need additional information, give me a call or email.

Respectfully,  
Charles

Will you please forward me a copy of the Umatilla nitrogen loading study I've heard about? We're gathering some information regarding the petition.

Hi Charles,

Sure, I'd be interested in in doing a presentation. Let me check around and see if I can travel then.

Hi Eric,

I'm ODEQ's coordinator for the LUBGWMA:  
<https://lubgwma.org/>

Would you be interested in doing a presentation on EPA's work in the Lower Yakima Valley at the next LUBGWMA Committee meeting on Thursday, April 2<sup>nd</sup> at 9am (at the Hermiston Agriculture Research and Extension Center)? This would be timely, given the recent SDWA petition to EPA.

If so, I will broach the subject with the Committee Chair, Scott Lukas of OSU.

Thank you,  
Charles
